MEDIA RELEASE

Infinite Care Hahndorf Welcomes Three Couples in a Fortnight, Becoming Adelaide Hills' Premier Couples Destination

Infinite Care Hahndorf proudly welcomed another couple into their home community, which marks the third couple admitted within the past fortnight. They join an existing couple who have resided in the home together for some time, occupying rooms next to each other. This recent influx of couples positions the Adelaide Hills residential care home as an ideal place to see out the golden years alongside a loved one.

"As a dedicated provider of aged care services, we are thrilled to have welcomed these four couples into our community," said Linda Barry, Facility Manager of Infinite Care Hahndorf. "Our facility is designed to offer not only exceptional care but also a peaceful environment where couples can enjoy time together, being cared for amongst our peaceful community."

The home is busy organising a special lunch to allow all the couples to meet and mingle. They are all said to be looking forward to meeting each other.

Nestled in the picturesque Adelaide Hills, Infinite Care Hahndorf offers a unique and tranquil setting, providing residents with unique view of dairy cows grazing in the lush countryside right from their rooms. Known for their commitment to creating a homely atmosphere combined with professional care tailored to meet individualised needs of each resident, the facility boasts spacious rooms, many offering stunning views of Beerenburg Farm and the surrounding natural beauty of the Adelaide Hills.

"Our location in Hahndorf is known for its German heritage and scenic landscapes, which makes it an ideal choice for couples seeking a destination that combines tranquillity with easy access to local amenities," added Ms Barry.

Residents at Infinite Care Hahndorf enjoy a range of services including 24-hour care, delicious and nutritious meals prepared on-site, engaging events and activities, and personalised care and wellbeing options. The facility is committed to fostering a supportive community where residents can maintain their independence while receiving the highest standard of care.

For more information about Hahndorf, to organise a tour of the facility, or to review job opportunities please visit www.infin8care.com.au or call 1800 463 468.
